Re: Application of Duke Energy Progress, LLC for Approval of Rider DSM/EE-12,
Decreasing Residential Rates and Increasing Non-Residential Rates
Docket No. 2020-176-E

Dear Ms. Boyd:

I am filing this letter on behalf of Duke Energy Progress, LLC (the "Company") to notify the Commission of a scrivener's error in Order No. 2020-793, the order approving the Company's proposed Rider 12 to recover demand-side management ("DSM") and energy efficiency ("EE") costs. On page 10 of Order No. 2020-793, at Ordering Paragraph (2)(a), the Commission set the Residential DSM-EE rate at 0.0647 cents per kWh, while the Residential rate necessary to recover the Company's DSM-EE costs under Rider 12 is 0.647 cents per kWh. The Company requests that the Commission issue an order correcting this error.

Thank you for your consideration of this request.

Kind regards,

Sam Wellborn
